## Education

**Bachelor of Computer Science (S.Kom.)**

**Tadulako University**, Informatics Engineering, Department of Information Technology, Faculty of Engineering
Palu, Central Sulawesi, Indonesia
Jan 2022 – present

- Final-year undergraduate student completing a thesis and revising a journal manuscript.

**Vocational High School**

**SMK Rahmani Beteleme**, Computer and Network Engineering
Beteleme Village, Lembo District, North Morowali Regency, Central Sulawesi, Indonesia
Jan 2019 – Jan 2022

- Active in Scout activities and achieved Bantara rank.
- Completed an internship (PKL) at the North Morowali Communication and Informatics Office.

**Junior High School**

**SMP Negeri 1 Lembo Raya**, General Studies
Jamor Jaya Village, Lembo Raya District, North Morowali Regency, Central Sulawesi, Indonesia
Jan 2016 – Jan 2019

- Represented the school twice in district-level National Science Olympiad (OSN) competitions in Natural Sciences.
- Participated in a district-level creative dance competition and school Scout activities.
- Helped with family retail and market sales, developing customer service, responsibility, and practical teamwork.

**Elementary School**

**SD Negeri Jamor Jaya**, General Studies
Jamor Jaya Village, Lembo District, Morowali Regency, Central Sulawesi, Indonesia
Jan 2010 – Jan 2016

- Participated in sub-district OLS2N and FLS2N competitions.

**Kindergarten**

**TK Larokumpi Jamor Jaya**, Early Childhood Education
Jamor Jaya Village, Lembo District, Morowali Regency, Central Sulawesi, Indonesia
Jan 2009 – Jan 2010

## Experience

**Tadulako University — Pemberdayaan Desa Binaan (PDB)**, Research Assistant and KKN Tematik Student Team Leader (Ketua Unit) — Desa Ambesia Selatan, Central Sulawesi, Indonesia
Supported SITANPAS research and community implementation under Principal Investigator Ir. Dr. Yuli Asmi Rahman, S.T., M.Eng. — Aug 2025 – present — 1 year 3 months

- Led and coordinated a cross-functional student team during field implementation and community activities.
- Coordinated ESP32 smart-scale integration with the SITANPAS web platform through the ThingSpeak API, and supported platform administration and data monitoring.
- Led Ambesia Fish brand identity work, including logo, packaging, and brand-guideline design; presented the brand and supported its introduction and use with the community.
- Facilitated copyright recording and assisted with trademark registration through DJKI.
- Created visual communication materials and supported system socialization with four fishing groups.

**PT Vinix Seven Aurum, through PT Inovasi Lentera Cipta Kreasi**, Junior Data Scientist Intern (MSIB) — Yogyakarta, Indonesia (Remote) — Feb 2025 – May 2025 — 3 months

- Completed an internship focused on data science, data analysis, and data-driven decision support.
- Worked with data acquisition, cleaning, exploratory analysis, visualization, statistical analysis, business intelligence, and predictive modeling.
- Curated, cleaned, and published an Indonesian public-university international undergraduate-program dataset on Kaggle as a final project.

**Dinas Komunikasi dan Informatika Kabupaten Morowali Utara**, IT and Administrative Support Intern (Praktik Kerja Lapangan) — North Morowali Regency, Central Sulawesi, Indonesia — Nov 2020 – May 2021 — 7 months

- Supported general administrative work and day-to-day office operations.
- Assisted IT staff with technical and operational tasks and basic hardware and software maintenance.
- Built experience in workplace communication, organization, and teamwork.

## Skills

**Software and Web:** Python, Django, JavaScript, SQL, HTML, CSS, Supabase, REST APIs, Git, GitHub

**Data Science and Applied AI:** Data cleaning, exploratory data analysis, data visualization, Pandas, Scikit-learn, TF-IDF, cosine similarity, machine learning, generative AI

**Research and Product Design:** Research and development, requirements analysis, system deployment, UI/UX design, Figma, visual communication, branding, field coordination

**Platforms:** Kaggle (pondnaravitt), ThingSpeak, Supabase

## Certifications

**Programming and Data Training:** Pengenalan ke Logika Pemrograman (Programming Logic 101); Belajar Dasar Git dengan GitHub; Belajar Analisis Data dengan Python; Belajar Dasar Visualisasi Data; Belajar Machine Learning untuk Pemula
